Dear Parent/Guardian,

All 11th grade students attending school in Pennsylvania are required by law to have a current physical exam on file. Please make an appointment with the doctor and have your child examined. The form (MEH-1) is on the reverse side of this letter and needs to be completed by the doctor and returned to the school nurse. All 12th grade students are required by law to have 2 meningitis (MCV4) vaccines. The 2nd dose must be given after age 16. Please have your child receive the vaccine when they have the physical completed and have the date recorded below. Your child will be in compliance with the state law for 12th grade.

Please call 215-400-3140 if you have any questions. Thank you.
