

**SCHOOL UNIFORM POLICY
SWENSON ARTS AND TECHNOLOGY HIGH SCHOOL**

UNIFORM POLICY 2022-2023

We are a Career Technical High School with a mission to prepare students for the workplace where many employees require compliance with a uniform. To that end and in order to promote our school brand and school spirit, students are required to be dressed in a Swenson Arts and Technology tee-shirt, collared shirt, CTE program shirt, or plain red, white, or blue-collar shirt at all times during the school day, as well as during participation in all field trips and extra-curricular activities.

Consistent failure to comply with the dress code policy will result in a conference with the parent/guardian to discuss the reasons for student non-compliance with the uniform policy.
